## 2AM: Ten injured as van careers on to pavement

**Walking wounded:** Emergency services lead a victim away after the incident near Finsbury Park Mosque in North London last night

**AT LEAST** ten pedestrians are feared to have been hit when a van veered onto a pavement near a mosque early this morning. Several people were reportedly hurt after

**By Josh White**

The van ploughed into a crowd near Finsbury Park Mosque in north London. Mosque leaders described the incident as a 'terrorist attack'. Twitter users claimed the victims were Muslims leaving late-night prayers being observed for the month of Ramadan. A Metropolitan Police helicopter was seen circling overhead as photographs of the scene posted on social media showed
